Swachh Bharat Abhiyan is a Clean India drive and Mission launched as a national campaign by the Indian government in order to cover the 4041 statutory towns aiming maintained cleanliness of streets, roads and infrastructure of the country. Indian Prime Minister, Narendra Modi has officially launched this mission on 2nd of October (the birth anniversary of Mahatma Gandhi) in 2014 at Rajghat, New Delhi (Bapu's Samadhi). While launching the event Prime Minister himself had cleaned the road. It is the biggest cleanliness drive ever in India when approximately 3 million government employees including students from schools and colleges took part in the cleanliness activities. Schools and colleges have participated in the event by organizing many cleanliness activities according to their own themes. Students of India participated in this event. This mission aimed to join each and every Indian from all walks of life in the same way that a tree grows and spreads its branches. Swachh Bharat Mission aims to construct individual sanitary latrines for household purposes for the people living under poverty line, convert dry latrines into low-cost sanitary latrines, provide facility of hand pumps, safe and secure bathing, set up sanitary marts, construct drains, dispose off solid and liquid wastes, enhance health and education awareness, provide household and environmental sanitation facilities and many more. The main objectives of Swachh Bharat Abhiyan are removing the trend of

open defecation, changing insanitary toilets into flush toilets, removal of manual scavenging, proper disposal of solid and liquid waste, bringing behavioural changes among people, enhancing awareness about sanitation, facilitating the participation of private sectors towards cleanliness facilities.

Questions :

- (a) What is Swachh Bharat Abhiyan?
- (b) How many persons took part in the cleanliness drive?
